

June 16, 1941.

Mr. Frank A. Young,
3435 Indiana Ave.,
Chicago, Ill.

Dear Mr. Young:

First of all thanks for you very nice letter. about my picture I will try and see that you receive one very soon. I always argue that people do not care who owns the ball club, but all you newspaper men insist there is a human interest angle where a woman is concerned. I will try and have the picture for you at the Meeting in New York.

I am notifying my publicity man today of your request for the news by a certain time.

I suppose you may have heard the Eagles are going very nicely now.. Our series this week-end in Newark with the Homestead Grays should be very interesting. Maybe you will be able to attend it, if you are still here a few days after the Meeting.

Will look forward to see you in New York on the 19th.

Very truly yours,

EM:CCJ

P. S. Your letter said the Meeting would be at the Hotel Theresa. I received notice from Posey this Morning saying it would be at #2374-7th Ave., New York City.
